## PROFILE

Full-stack software engineer with 13 years of experience building and maintaining web applications. My toolkit spans frontend interfaces, Java and Python services, data tools, and cloud delivery. I care about usable interfaces, maintainable code, testing, and ownership beyond the first release.

## TECHNICAL SKILLS

**Languages & foundations:** JavaScript, TypeScript, Python, Java, C++, Kotlin, HTML5, CSS3

**Frontend & content:** React, Next.js, Angular, jQuery, Tailwind CSS, Sanity CMS

**Backend & data:** Node.js, Spring Boot, Django, FastAPI, REST APIs, Snowflake, Streamlit

**DevOps & delivery:** Linux, Docker, AWS, Vercel, Git, CI/CD

**Quality & collaboration:** Selenium, Jira, Agile & Scrum, Figma, Clean Code

## PERSONAL PROJECTS

**KASH.lv** - Develop and maintain a Latvian marketplace, with production and development storefronts and dedicated administration back offices. Source remains private.

**OSINT & WorldviewOS** - Public map-based applications exploring open-source intelligence and globe-based data overlays. Project source and upstream attribution are linked from my portfolio.

**shez.app** - Personal Next.js portfolio with a daily public GitHub feed, accessible project directory, and tested, versioned releases on Vercel.

**Todo & data tools** - A React/Next.js task application with browser storage, alongside Python experiments and data-comparison tools available on GitHub.

## EDUCATION

**BSc (Hons), Computer Gaming and Animation Technology, 2:1**

Anglia Ruskin University | 2009-2012

**Mobile App Development**

Cambridge Regional College | 2015

## COURSES & CERTIFICATIONS

Streamlit for Snowflake (2025); Java Spring Framework 6 / Spring Boot 3 (2024); Python and Django Full Stack (2024); Next.js with Sanity CMS (2024); Modern React Bootcamp (2024); Clean Code (2024); Learning React.js (2022); Mobile App Development (2015).

## BEYOND THE CODE

Scripting, PC building and gaming, classic and retro motorcycles, and PC game-server administration. Dad of two. English and Hindi, with an interest in learning other languages.
